

Privacy Policy

1. Information We Collect

Our app collects the following user information: **Google or Instagram account information, nickname, profile picture, gender, age, and nationality.**

2. Purpose of Information Collection

The information is used to facilitate smooth communication and social networking within the **Voice Room** feature.

3. Information Sharing

The information collected is shared with **other users** within the app. We do not share this information with external third parties outside the app environment.

4. Retention Period

The collected information is stored **indefinitely** unless the user takes action to delete their account or requests the removal of their data.

5. Protection of Information

User information is protected by **Google's security measures** within **Firebase**, which ensures data is encrypted and stored securely.

6. User Rights

Users have the right to **modify** their personal information and **delete** their account. These actions can be requested through the app settings or by contacting our support.

7. Third-Party Services

Our app integrates **Google Sign-In** and **Instagram Sign-In** to manage user login information.

8. Children's Privacy

This app is **not intended for children under the age of 13**, and we comply with relevant laws (such as COPPA) to ensure no data is collected from minors.

9. Contact Information

For inquiries related to your personal information, please contact us at yd030818@naver.com.
